THUNDERBOLT

THUNDERBOLT

Pull on your trusty leather flying jacket, strap yourself into the cockpit and take off in your Republic P47 Thunderbolt to battle it out in the skies with the worst the enemy can throw at you.

In this faithful reproduction of the Jaleco arcade game, you will find yourself back in World War II piloting one of the best-loved US fighters against adversaries in the water, on land and in the air. Fight it out over eight levels of extreme action, increasing your firepower at every opportunity. Smooth, fast, non-stop action all the way in Firebirds latest arcade smash. Now's the chance to prove yourself as a real hotshot fighter pilot.

- Excellent conversion of Arcade Classic
- Superb, fast, horizontal scrolling action
- Multiple weapons
- Face attack from land, sea and air
- Eight action packed levels to complete
- Strikingly visual aerial combat

SCREEN SHOTS MAY VARY.
